Global+Care™
POWERED BY GOCI

It is simple... GlobalCare™ is a comprehensive Service agreement for hassle-free warranty repair of desktops, laptops, notebooks, tablets and servers. Plus, you will have access to our local helpdesk support, the remote helpdesk agent fee is waived and you will receive priority scheduling.

With GlobalCare™ from GOCI, simply call us and process is started. We will take care of the hardware issue, load software (if necessary) or whatever else is needed to get your system up and running again. It is truly a "No-Hassle Warranty."

Don't forget – add a SmartBuy Display!

All In Ones:

- Save Space
- Save Power
- Save on Shipping
